Manual No.1 The particulars of its organisation, functions and duties;

The main functions of this Organisation are as under:-

- i) To advise the State Government on Economic and statistical matters for formulation of policies and plans.
- ii) To coordinate statistical activities of various departments in the state.
- iii) To collect, compile, analyse and interpret economic and Statistical data and act as data bank.
- iv) To conduct analytical and evaluation studies and surveys
- v) To keep a proper liaison with the Central Statistical Organisation, Govt. of India and other State Statistical Bureaus of the country.
- vi) The training cell of this organisation imparts training to the staff of Economic & Statistical Organisation, Punjab and Statistical staff of Statistical cells working in various departments of the state and improves the functioning of the Statistical personnel of the state.
- vii) District level offices of Economic & Statistical Organisation, Punjab are also providing secretariat services to District Planning Committees apart from collection and compilation of primary as well as secondary data and its onward transmission to head office. Economic & Statistical Organisation, Punjab is the nodal agency for handling the progress of work under MPLAD.

With the advent of the era of economic planning and development, the State Govt. created a statistical office headed by the Economic & Statistical Advisor in 1949 to cater to the statistical needs of the state. The Board of Economic inquiry too became a part and parcel of this office in 1953. Similarly, Board of Economic inquiry/bureau of Economic and Statistics was created in 1949/1950 in erstwhile Pepsu State. With the merger of Punjab and Pepsu in 1956, the present Economic & Statistical Organisation (E.S.O) came into being. With the passage of time and extension of more developmental and planned activities, the E.S.O. was strengthened.

Economic and Statistical Organisation, Punjab makes a major contribution in strengthening the data base of the State and has been declared Nodal Agency since 8.4.2003

for effective coordination of statistical activities of all the departments and create common statistical cadre in Punjab. The Statistical needs of private sector are also met by this Organisation. The Planners, Research scholars, social thinkers and administrators heavily draw upon the statistical information available with this Department. The data collected by the Organisation highlight the level of socio-economic development of the State. This data helps in formulation and evaluation of Development Programmes of state and identifies different bottlenecks in these programmes for taking corrective measures for proper development of the state.

The Organisation is headed by Economic Adviser who is assisted by Director, Joint Directors, Deputy ESA;s, Research Officers and Assistant Research Officers. There is a District Statistical Office in each of the district of the State headed by Deputy Economic and Statistical Adviser.

The Organisation has 20 sections including establishment section at the State Head Quarter. The establishment section manages the human resource administration and is manned by Superintendents, Senior Assistants, Clerks and typists.

Other 19 sections in the Economic & Statistical Organisation, Punjab engaged in the specialized fields are given below:-

I. State Income:-

This section is engaged in the preparation of estimates of State Domestic Product (SDP). The estimation of State Domestic Product for the financial year are prepared both at current and at constant prices for all the fifteen sectors of the economy and estimates of per capita income are also prepared regularly with a time lag of two years. Quick estimates of SDP (State Domestic Product) based on production targets of Agriculture, Livestock and Fishing sectors and past trend in respect of other sectors are prepared annually with a time lag of one year. Sectoral estimates of SDP at current and at constant prices are also prepared for all the districts regularly with a time gap of two years. Sector wise growth rates of SDP for different periods are also prepared. Notes on economic situation in the State and comparative position of the State vis-a-vis other States with respect to State Income Estimates are also prepared for the use of the State Government.

II. Public Finance:-

The main function of Public Finance Section is to prepare Economic and Functional Classification of the State Government and Municipal Committees/Corporations budgetary transactions. The data are compiled, processed and presented in three annual publications. The publication, "Economic and Functional classification of State Government Budget," high lights the economic and functional impact of the budgetary operations of the

State Government. Other publications are. "An Economic and Functional Classification of Municipal Budgets in Punjab" and "Statistics of Public Finance."

III. Capital Formation:-

The estimates of Gross state Domestic capital formation of all the sectors of economy at current as well as constant prices for both public and private sectors are prepared so as to study the investment pattern in the state. Since it is an important indicator for infrastructure development, the estimates are used while formulating the development plans.

IV. Employment:-

The main function of this section is to determine the impact on direct and indirect employment generated with the establishment of various industrial, irrigation and power projects in Punjab State. One project is selected and the study thereof is undertaken at a time to assess the impact on direct and indirect employment in the command area of the project.

V. Industry:-

Data on industrial production especially in the un-registered sector in the State are very scanty. The Annual Survey of Industries (ASI) which covers only the registered sector collects data on production in different groups of Industries in the State. The data collected by the ASI have been used for preparation of Index Number of Industrial production. These indices show an overall trend in the Industrial production as well as production trend at industrial groups, sub-groups and item levels in physical terms. The indices also show growth/decline in the registered industrial sector of the State.

VI. Tabulation :-

This section tabulates data of the National Sample Surveys. This section deals with compilation of the State Sample data collected from the field. Processing and Tabulation of data is done in accordance with the procedure and tabulation plan supplied by the National Sample Surveys Organisation, Government of India.

VII. Plan Evaluation:-

Plan Evaluation Section is engaged in evaluating the various Programs/Schemes of different departments of the State Government. These evaluation reports help the Planners and Administrators to assess the performance of projects/programs/schemes for its impact on the area/people for which these are designed. The topics for evaluation are selected by the State Evaluation Committee under the Chairmanship of Chief Secretary.

VIII. Compilation:-

This section works as the data bank in respect of official statistics on various subjects. State Statistical Abstract prepared by the section is released alongwith the annual Budget of State Government. A wide range of data made available comprehensively in this publication, is very useful for the state administrators, planners, and researchers etc.

IX. Prices:-

For studying the behaviour of prices especially under inflationary pressures, whole-sale and retail prices are collected and published in Prices Bulletins. Consumer Price Index Numbers for working class are prepared for Six centres viz. Phagwara, Dhariwal, Patiala, Abohar, Bathinda and Nangal and supplied to State Govt. These indices are being used for providing dearness relief to the industrial workers.

X. Field Operation:-

This section is primarily engaged in collection of primary data at village and block level on various important socio-economic aspects which hitherto is not collected by any other agency. The data is in great demand from various Government departments and organisation especially for the purpose of decentralised and grass root planning. Detailed village-wise information collected by Investigators posted at the block level is maintained in the Village Directory, Block at a glance and Indicators of Socio-Economic Development for each district of the State. Ad-hoc Surveys are also conducted by this section as per requirement of the State Government

XI. Demography

This section interpolates population data for inter-census period and also extrapolates it for the post census years. These data are used by different departments and institutions. Census of Punjab Government employees (number of employees belonging to Scheduled Castes/Tribe/Backward Classes, wards of freedom fighters and ex-servicemen employees) conducted every year provide department-wise, class-wise and pay range-wise statistics of Govt. employees. Information regarding prices of building material and wage rates of construction labour engaged in construction activity is collected quarter-wise from all District headquarters in Punjab State and transmitted to National Building Organisation (Ministry of Housing, Government of India). Besides this, the building of Cost sent to N.B.O. The Index is an important indicator which reflects the trend in the cost of building construction cost. These indices show variations in prices over time and help in evaluating construction costs.

XII. Irrigation :-

Irrigation section collects and co-ordinates statistics on different aspect of irrigation, flood control and power in the State.

XIII. Farm Accounts :-

This section deals with farm accounts and family budgets of selected cultivators in the state which reveal how much a cultivator gains out of production and how much he spends on farming.

XIV. National Sample Survey:-

The National Sample Surveys (NSS) unit works in collaboration with the National Sample Surveys Organisation (NSSO), Government of India. This unit conducts sample Surveys for collecting various types of data required by the Central Ministries, State Departments, Planning Commission and other interested Organisations. The subject for surveys are finalised by the Governing Council of N.S.S.O., Government of India. Sample Surveys conducted by this unit follow a uniform pattern prescribed for all the States in the country under the guidance of N.S.S.O.

XV. Training :-

5. Block at a Glance

Punjab State, has so far been able to set up three tier statistical system i.e.

1. Block Level;
2. District level;
3. State Head Quarter Office

Investigator is the only functionary at the block level. He is engaged in the collection of village/block-wise routine statistics to meet the requirement of the District Statistical Offices as well as the Headquarter. This village level data is disseminated in the form of publication i.e. village Directory, Block at a glance. His services are also utilised for conducting the Ad-hoc Socio-economic Surveys at the block level. The detailed data on essential items is also maintained at block level in the form of tables. The data is scrutinised by Statistical Assistant/Assistant Research Officer/District Statistical Officer at district level and transmitted to State Head Quarter. It is then further examined ,rectified and published at Head Office.

The Department observes the norms set by the Department of Statistics and Programme Implementation, Govt. of India. The other branches at the Head Quarter also collect the various type of data and then this data is disseminated in the form of Annual publications.

The other Branches at the Headquarter prepare their annual data. The Department prepares the data in consultation with other Departments of the State like Revenue, Agriculture, Education, Health, Rural Development, Animal Husbandry and such like other Departments. The Staff i.e. Research Officers, Assistant Research Officers, Statistical Assistants and Investigators make field visits as per requirement.They interview villagers/Village level functionaries of different Departments and collect data. The Department observes the norms set by the Department of Statistics & Programme Implementation.

An investigator is expected to collect information pertaining to the concerned Block during a year. Statistical Assistant checks the data collected by Investigators. Similarly, Assistant Research Officer/Research Officer makes test checks before finalizing the same.

Memo No. 2/1/PSPB-LPD-II/2006/9583

Dated Chandigarh the 5th July,2006.

Subject:- Guidelines regarding Constitution of District Planning Committees in each district of the State as per 74th Constitutional Amendment, 1992.

Kindly refer to the subject cited above.

2. As per the Punjab District Planning Committees Act, 2005 (copy enclosed) issued vide Notification No. 35-LEG/2005, dated 28.11.05, the District Planning Committees are to be constituted in each district of the State. The total number of members of the said committee have been calculated on the basis of population criteria given in sub-section (2) of Section 3 of the said Act, the detail of which is given below:-

3. The 1/5th number of members are to be nominated by the State Government. For the 4/5th of the member which are to be elected from amongst the Zila Parishad members and from members of the urban local bodies, you are requested to hold the elections in your district as per procedure given below and send the list of elected members to the Planning Department within 15 days so that the District Planning Committees may be constituted by the State Government at the earliest possible:-

3.1 For election of the members from rural areas, the Electoral College would consist of directly elected members of Zila Parishad. For election of members from urban areas, Electoral College would consist of directly elected members/ Councilors of Municipal Corporations/ Municipal Councils/Nagar Panchayats.

3.2 The Deputy Commissioner or any other officer appointed by him not below the rank of an Extra Assistant Commissioner would call a meeting of all the directly elected Zila Parishad members and a separate meeting of all directly elected members of the Urban Local Bodies (Municipal Corporations/Municipal Councils/Nagar Panchayats) for election of members to be taken on the District Planning Committees, from amongst them, after giving 7 days notice indicating therein the total number of members to be elected and time schedule for holding elections, as per specimen given in Form 3.2.

3.3 2/3rd of the total directly elected members would constitute a quorum for conducting the meeting for election.

3.4 When the members assemble at the time and place intimated to them as per time schedule given in Form 3.2, the Presiding Officer will supply them nomination form, (as per specimen given in Form 3.4) who may be willing to contest election for being members of the DPCs. The members would fill this form and hand it over to the Presiding Officer by the specified time.

3.5 The Presiding Officer will then conduct scrutiny of the nomination forms to ensure that the same are in order and as per electoral college

3.6 Any member may withdraw his candidature by filling Form 3.6 which will be handed over by him to the Presiding Officer by the time specified in Form 3.2.

3.7 Immediately after the said process, the Presiding Officer will prepare the final list of contesting candidates and get it printed on the Column 2 of the ballot paper (specimen in Form 3.7).

3.8 If the total number of contesting candidates is less than or equal to the number of vacancies to be filled, there will be no election and all such members will be declared to be duly elected.

3.9 If the number of contesting candidates is the more than the vacancies to be filled, the Presiding Officer would supply them a ballot paper (as per specimen in Form 3.7) which will be serial numbered and ask them to mark () against the name of the person to whom he wants to elect and mark (X) to whom he does not want to elect. The ballot paper should be filled up by Presiding Officer except column No.3 against names of contesting candidates. At the time of issuing a ballot paper to a voter, the Presiding Officer will sign in full on the ballot paper, record the serial number thereof in the counterfoil of the ballot paper, put the official seal and also mark the name of the voter in the voter list.

3.10 After receiving the ballot paper, the voter would mark the necessary signs () or (X) on the ballot paper, fold it and insert in it into the ballot box.

3.11 On the same day and at the time as per time schedule given in Form 3.2, the Presiding Officer will open the ballot box and count the number of ballot papers taken out there from.

3.12 The Presiding Officer will reject a ballot paper if it bears any mark or writing by which the voter can be identified; or if no vote is recorded thereon; or if voter is in favour of candidates more than the vacancies to be filled or if the mark indicated thereon is placed in such a manner as to make it doubtful to which candidates the vote has been given; or if it is spurious ballot paper; or if it does not bear both the official seal and the signature of the Presiding Officer.

3.13 After completion of counting, the Presiding Officer will record in a statement, the total number of votes polled by each candidate and announce the result.

3.14 If quorum of the meeting is not fulfilled and the meeting is adjourned, another meeting will be convened by the Presiding Officer by giving not less than 24 hours notice to the members. No quorum will be necessary for the adjourned meeting.

3.15 If, at the bottom, two or more members get the same number of votes, the matter will be decided by draw of lots.

3.16 The Deputy Commissioner would keep in safe custody all papers relating to the elections. However, on the expiry of six months from the date of publication of the names of the elected members of the District Planning Committee, all the papers relating to the election may be destroyed.

3.17 If any vacancy arises due to any reason, it will be filled up with the same procedure from the same source from which it has occurred.

3.18 If the total number of directly elected Zila Parishad/Urban Local Bodies members, as the case may be, is less than or equal to the number of vacancies to be filled, there will be no election and such members will be declared to be duly elected.

3.19 The Deputy Commissioner will send the list of elected candidates to the State Planning Department on the same day both by speed post as well as by Fax.
